“Relax. Your Dell is covered.”

Details

ProSupport

- 4-year ProSupport warranty is standard.
- 24x7x365 direct access to in-region engineers
- Next business day onsite support
- Single source for hardware & software issues
- Premium hardware & collaborative software support and how-to assistance
- SupportAssist technology for automated proactive issue detection, alerts, case creation, and health status.

Accidental Damage

- **This is an optional upgrade**
- Repair or replacement service for system and in-box monitor peripheral accidental damage.
- Protects against liquid spills, accidental breakage, drops, surges, falls or other collisions.
- This service includes repair and replacement for parts including up to 1 whole unit replacement each year if part replacement is not possible.
- If a system cannot be fixed remotely it has to be returned to depot to be repaired/replaced.
